### QUESTIONNAIRE FOR : BIOMASS BOILERS

**Step 1. Please enter an X to indicate selection for questions**

#### Personal Details

<b>Step 1.1</b>	<b>What is the best description of your role?</b>
Name	<input type="checkbox"/> Architect/Consultant <input type="checkbox"/> Developer <input type="checkbox"/> Self builder <input type="checkbox"/> Business Owner <input type="checkbox"/> Director/Manager <input type="checkbox"/> Other
Company Name (if Applicable)	
Address	If other please give details:
	Contact Telephone Number (land Line)
	Mobile
Post Code:	E-mail Address:

**Step 2. Please enter an X to indicate selection for questions**

#### About your project

<b>Step 2.1</b>		
Site address, if different to one given above		
Type of project		
Commercial <input type="checkbox"/>	Domestic <input type="checkbox"/>	
What products are you interested in? ( <b>COMMERCIAL</b> )	What products are you interested in ( <b>DOMESTIC</b> )	
<input type="checkbox"/> Chip <input type="checkbox"/> Pellet <input type="checkbox"/> Wish us to recommend	<input type="checkbox"/> Pellet <input type="checkbox"/> Log <input type="checkbox"/> Wish us to recommend	
<b>Step 2.2</b>		
Describe your project		
What are your reasons for considering biomass heating <input type="checkbox"/> Saving money <input type="checkbox"/> Reducing CO2		
<input type="checkbox"/> Planning requirement <input type="checkbox"/> Meet Part L Building Regulations <input type="checkbox"/> Other		
If other, please give details		
Please indicate buildings you wish to heat ( <b>Domestic</b> )		
<input type="checkbox"/> House <input type="checkbox"/> Several Buildings (may be classified as commercial) <input type="checkbox"/> Other		
Please give details of buildings included in project.		
Please provide sizes for each building in M <sup>2</sup> ?	Building 1	Building 2 (If more than two buildings please discuss)
Please indicate buildings you wish to heat ( <b>Commercial</b> )		
<input type="checkbox"/> School <input type="checkbox"/> Office/s <input type="checkbox"/> Council buildings <input type="checkbox"/> Community Heating		
<input type="checkbox"/> Domestic House + several commercial buildings <input type="checkbox"/> Other		
Please give details of buildings included in project.		
Please provide sizes for each building in M <sup>2</sup> ?	Building 1	Building 2    Building 3

Please provide sizes for each building in M <sup>2</sup> ?	Building 4	Building 5	Building 6	
--	------------	------------	------------	--

If there is more than one building and district heating is required, please give distance between buildings in metres or provide drawing showing the distances.

Please provide info here

Do you wish to add biomass boilers to replace your existing heating or supplement?

Replace     supplement

How much fuel are you using per annum on space and water heating? (give litres for oil or LPG & KW/hrs for gas or electric).

What are your existing fuel bills per annum? (if known)

Please advise on your current insulation levels for the property

Floor	Y/N		If Yes, please detail	
Wall	Y/N		If Yes, please detail	
Roof	Y/N		If yes, please detail	

**Step 2.3**

Heat source/s existing or planned?

	E	P	Build 1	Build 2	Build 3	Build 4	Build 5	Build 6
Heat Source								
Condensing Gas Boiler								
Oil Boiler								
Combi Boiler								
LPG Boiler								
Ground Source Heat Pump								
Air Source Heat Pump								
Biomass Wood Boiler								
Solar								
Other (please specify below)								

(E = Existing P = Planned)

Please specify make and model of existing boiler/s and ratings (if applicable)

Please give details of your existing heating output

Radiators    Storage Heaters    Electric Heaters    Underfloor Heating    Mix of heat outputs

Other   If Mix/Other please give details

	Ground Floor	
	First Floor	

Building Construction type?

Brick/Block    Timber Frame    Other

If new build/renovation/conversion/extension etc what stage have you reached?

Applied for planning    Planning granted    Planned start date    Build Started    Roof on

If start date is planned please give date    DD    MM    YY

**Step 2.4**

Storage Requirement

Do you have space for a large boiler room and fuel storage area or an existing outhouse or barn?

Yes/No

If yes, please give details:-

What is the size of the boiler room or suitable building (length, width and height)?	L		W		H	
--	---	--	---	--	---	--

Do you have Lorry Access? Yes/No	Yes/No	
-------------------------------------	--------	--

**Step 3**

**Additional information required to enable us to provide you with a quotation**

**Please enter an X to indicate they have been sent with questionnaire**

<b>Floor Plans (with dimensions)</b> <input type="checkbox"/> (If existing building rough drawings with dimension will do).	<b>Additional Project Notes</b> <input type="checkbox"/> Please attach any additional information you have on the project.
--	---

**How would you like to receive your quotation**

<b>Where did you hear about us</b> <input type="checkbox"/> Recommendation <input type="checkbox"/> Website <input type="checkbox"/> Little Gem <input type="checkbox"/> Show <input type="checkbox"/> Other If other please specify <input type="text"/>	<b>Post</b> <input type="checkbox"/>	<b>E-mail</b> <input type="checkbox"/>
--	--------------------------------------	--

**INFORMATION PROVIDED TO 'GREEN WARMTH LTD' WILL BE USED FOR THE PURPOSE OF PROVIDING A QUOTATION ONLY**
