

QUESTIONNAIRE FOR : HEAT PUMP or UNDER FLOOR HEATING

Step 1. Please enter an X to indicate selection for questions

Personal Details

Step 1.1

Name

What is the best description of your role?

- Architect/Consultant Developer Plumber
 Self builder Home owner Other

Company Name (if Applicable)

If other please give details:

Address

Contact Telephone Number (land Line)

Mobile

Post Code:

E-mail Address:

Step 2. Please enter an X to indicate selection for questions

About your project

Step 2.1

Site address, if different to one given above

Type of project

Commercial Domestic

What products are you interested in?

Heat Pump Underfloor Heating Both

If interested in a heat pump, specify type if known

Air Source Ground Source Exhaust Air Source Need advice

What best describes your project:

What phase of electricity do you have? Single Phase Three Phase

New Build Existing Property Conversion Renovation Extension Retro fit

Other Please give details

How Large is your property M² ?

If **New build** please go straight to **step 2.3** otherwise continue with **next step 2.2**

Step 2.2

Building Construction type?

Brick/Block Timber Frame Other

If Other please specify

Please give details of your existing heating output

Radiators Storage Heaters Electric Heaters Underfloor Heating Mix of heat outputs

Other If Mix/Other please give details

Ground Floor

First Floor

How much fuel are you using per annum on space and water heating?

What are your existing fuel bills per annum? (if known)				
Are you replacing your heating system (Radiators etc)	Y/N <input type="checkbox"/>	If yes, what to <input style="width: 150px;" type="text"/>		
Please advise on your current insulation levels for the property				
Floor	Y/N <input type="checkbox"/>	If Yes, please detail	<input style="width: 400px;" type="text"/>	
Wall	Y/N <input type="checkbox"/>	If Yes, please detail	<input style="width: 400px;" type="text"/>	
Roof	Y/N <input type="checkbox"/>	If yes, please detail	<input style="width: 400px;" type="text"/>	
Step 2.3				
Heat source/s existing or planned?		If new build planned construction type		
Heat Source	E	P	<input type="checkbox"/> Brick/Block <input type="checkbox"/> Timber Frame <input type="checkbox"/> Other	
Condensing Gas Boiler	<input type="text"/>	<input type="text"/>	If other please specify <input style="width: 100px;" type="text"/>	
Oil Boiler	<input type="text"/>	<input type="text"/>		
Combi Boiler	<input type="text"/>	<input type="text"/>	If new build/renovation/conversion/extension what stage have you reached?	
LPG Boiler	<input type="text"/>	<input type="text"/>	<input type="checkbox"/> Applied for planning <input type="checkbox"/> Planning granted	
Ground Source Heat Pump	<input type="text"/>	<input type="text"/>	<input type="checkbox"/> Build Started <input type="checkbox"/> Roof on	
Air Source Heat Pump	<input type="text"/>	<input type="text"/>	<input type="checkbox"/> Planned install date <input style="width: 30px;" type="text"/> <input style="width: 30px;" type="text"/> <input style="width: 30px;" type="text"/>	
Biomass Wood Boiler	<input type="text"/>	<input type="text"/>	dd mm yy	
Solar	<input type="text"/>	<input type="text"/>		
Other (please specify below)	<input type="text"/>	<input type="text"/>		
(E = Existing P = Planned)				
Please specify make and model of existing boiler if applicable			<input style="width: 300px;" type="text"/>	
Floor Construction				
	Screeded	Floating	Suspended Timber	Other
Basement	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Ground floor	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
First Floor	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
Second Floor	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
If other please specify	<input style="width: 400px;" type="text"/>			
Step 3				
Additional information required to enable us to provide you with a quotation				
Please enter an X to indicate they have been sent with questionnaire				
Floor Plans (with dimensions) (If existing building rough drawings with dimension will do).	<input type="checkbox"/>	SAP Calculations Needed for heat pump sizing	<input type="checkbox"/>	Additional Project Notes Please attach any additional information you have on the project.
How would you like to receive your quotation	Post <input type="checkbox"/>		E-mail <input type="checkbox"/>	
INFORMATION PROVIDED TO 'GREEN WARMTH LTD' WILL BE USED FOR THE PURPOSE OF PROVIDING A QUOTATION ONLY
